U.S. Technical Advisory Group to ISO Technical Committee 130 (USTAG) Roster 2019

SCOPE

The USTAG to ISO TC 130 identifies Technical Experts to represent the United States at ISO TC 130 meetings. In addition, the TAG is responsible for distributing ISO documents to members of the U.S. printing and publishing industry for review for the purpose of developing the U.S. consensus position on the work, and advising the American National Standards Institute (ANSI) on the appropriate action.

Chairman: Mr. Raymond Cheydleur

Secretary: Ms. Debbie Orf

Web Site: <https://www.printtechnologies.org/standards/standards-workroom/>

PARTICIPATION

Participation in the USTAG is open to anyone who may be materially affected by the standards developed by the USTAG or who may otherwise have an interest. All meetings are open, and minutes and draft documents are readily available upon request.
